## Potable drinking water certificate

16/08/2024

This is to certify that an inspection team of Chandra Enterprises (authorised Eureka Forbes service centre Korba), who have taken the AMC of all water filters and water points of Vidyalaya, inspected Kendriya Vidyalaya No. 3 Korba, SECL Kusmunda. It has found that all drinking water point of Vidyalaya have been discharging safe potable drinking water facilities (TDS under normal range) for students and staff members of this institution. The drinking water discharged from all water points in the campus are under normal range for all parameters as per norms prescribed by the Central / State Government.
